A Message From Santa:

x0x0x0x0x0x0x

Dear ones,
I know you are very excited about the Christmas season. I am too!! My elves are working hard to prepare for Christmas Day.

Always remember:

1. It is better to give than receive.

2. God loves YOU so much!

3. When you have Jesus in your heart, others can see it through your actions.

4. We have Christmas to celebrate the birth of our Savior, Baby Jesus.

Continue to take care of your elf and have fun! (elves are silly just like you) Pray for your parents and enjoy your time as a family. Have a blessed Christmas!

With much love,
Santa Claus

A Message From Your Elf:

Just a reminder... Santa sent me here. I am his friendly little helper. I am his eyes and his ears. Each evening I leave and fly back to the North Pole. I report your behavior. Each day with a new visit, I love finding hiding places...from your rooms to your bookshelves, it's a jolly time for me!
Lots of Love
